

Whether at home or abroad: the PostFinance Card, PostFinance Visa Business Card and the Travel card are practical companions for you and your team. And with the PostFinance Card Pay, you can easily and securely pay cash into your account.

PostFinance Card

You can obtain any number of PostFinance Cards for your company. The PostFinance Card is only issued to people who have sole signing authority for their PostFinance account. The PostFinance Card enables you and authorized employees to:

- Withdraw cash at post offices and at all Postomats in Switzerland.
- Withdraw cash at ATMs in Switzerland and at ATMs abroad with the "PLUS" label.
- Pay conveniently in Switzerland in most shops, garages, restaurants, on public transport and in online shops, etc. ¹

Withdrawals are debited directly from your account. The PostFinance Card is also available in EUR. It is the ideal card if you hold an account in euros and do business in the euro countries. It helps avoid possible currency fluctuations when withdrawing cash in euros.

Prices and conditions PostFinance Card in CHF or EUR Annual charge CHF 30 per card Cash withdrawals Free of charge at Postomats Cash withdrawals Free of charge (1% at post office counter of the cash withdrawal amount for withdrawals in euros using the PostFinance Card in EUR) CHF withdrawal at ATMs CHF 2 EUR withdrawal at ATMs CHF 5 Cash withdrawal at ATMs CHF 5 abroad (independent of national currency)

PostFinance Card Pay

The PostFinance Card Pay is non-nominal and enables cash to be paid in to your own account but prevents your account from being accessed in any other way. It is available for accounts in CHF or in EUR. Inpayments can be made in Swiss francs in notes and coins at post offices and at Postomats with a deposit function. Inpayment of euro notes is possible in post offices that accept euros as well as at Postomats with a deposit function.

- The inpayment is credited to your account on the same day: the money is made available to you guickly.
- The card is non-nominal and transferable.
 It can therefore be given to a person who does not have signing authority for your account.
- Postomats with a deposit function are available around the clock. You can pay money into your account at any time and are no longer restricted to counter opening times.
- The complete process is paperless.

PostFinance Visa Business Card

The versatile credit card when you are out and about. Ideal for business trips and transparent expenses statements.

- Make cashless payments in shops, restaurants, at airports and in hotels and garages around the world.
- Withdraw cash worldwide at ATMs.
- You specify a limit on your main account. This is the maximum amount that can be spent in total on all the business cards.
- Individual limits can be set for each employee.

Bonus programme: money back on every purchase worldwide

You will get cash back on your PostFinance account for every purchase you make, whether it's in Switzerland or abroad.

Billing methods

Choose between two billing methods:

- Monthly collective billing to the company.
 Additional individual statements sent to either the company or the owner of the card.
- Single billing to each card holder.
 If requested, the single billings can be consolidated and sent to the company.

In most cases the payment period is 20 days as of the billing date. You decide if you want to pay by Swiss Direct Debit or inpayment slip.
